MEET THE TEAM.....

ADMIN

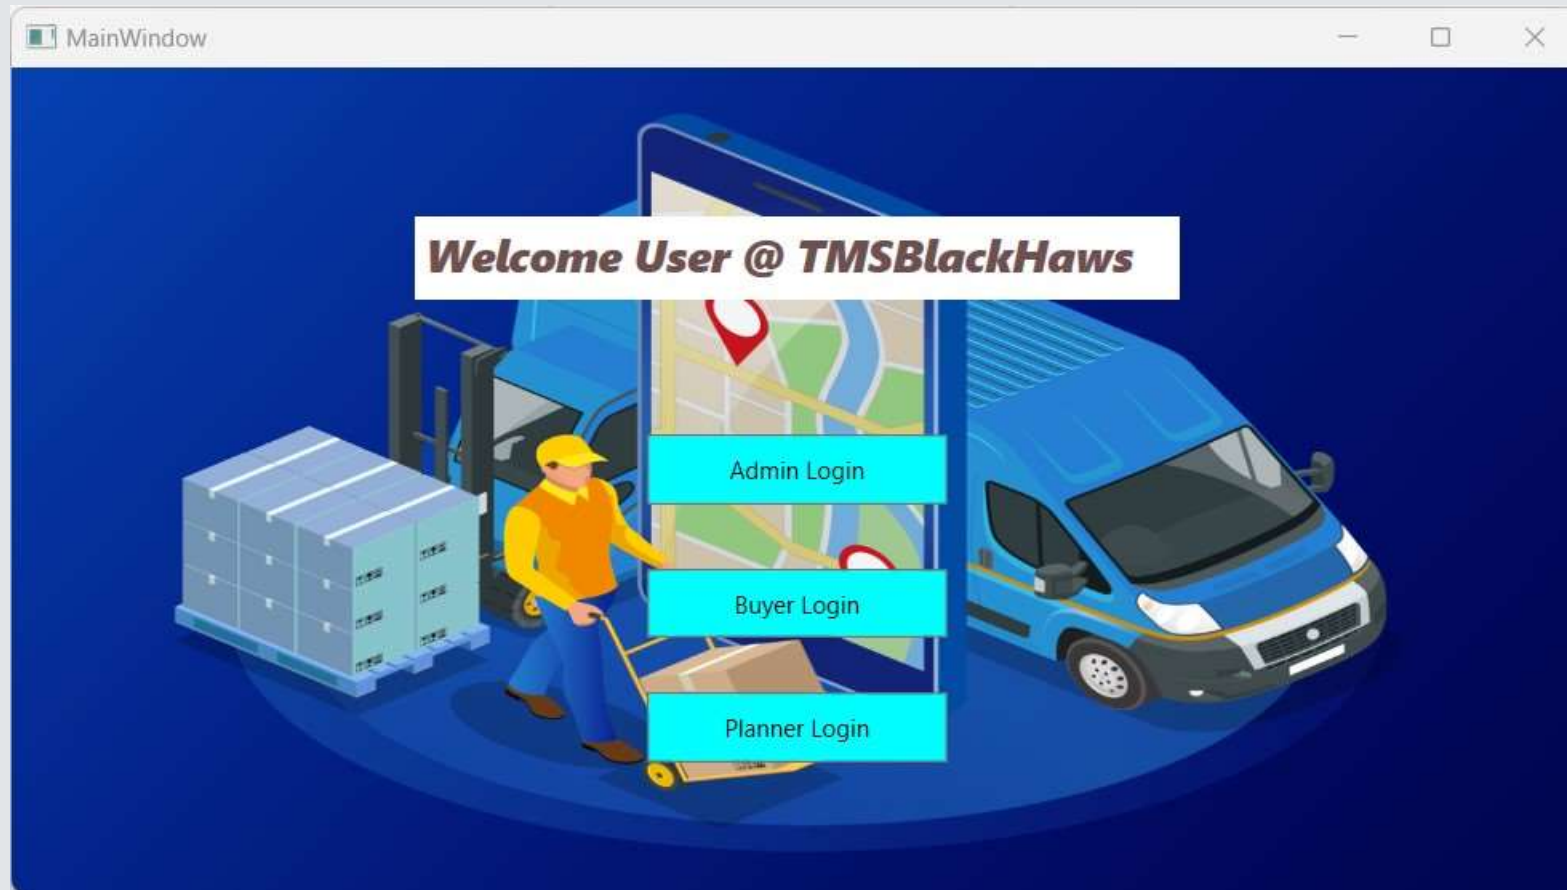

ADMIN

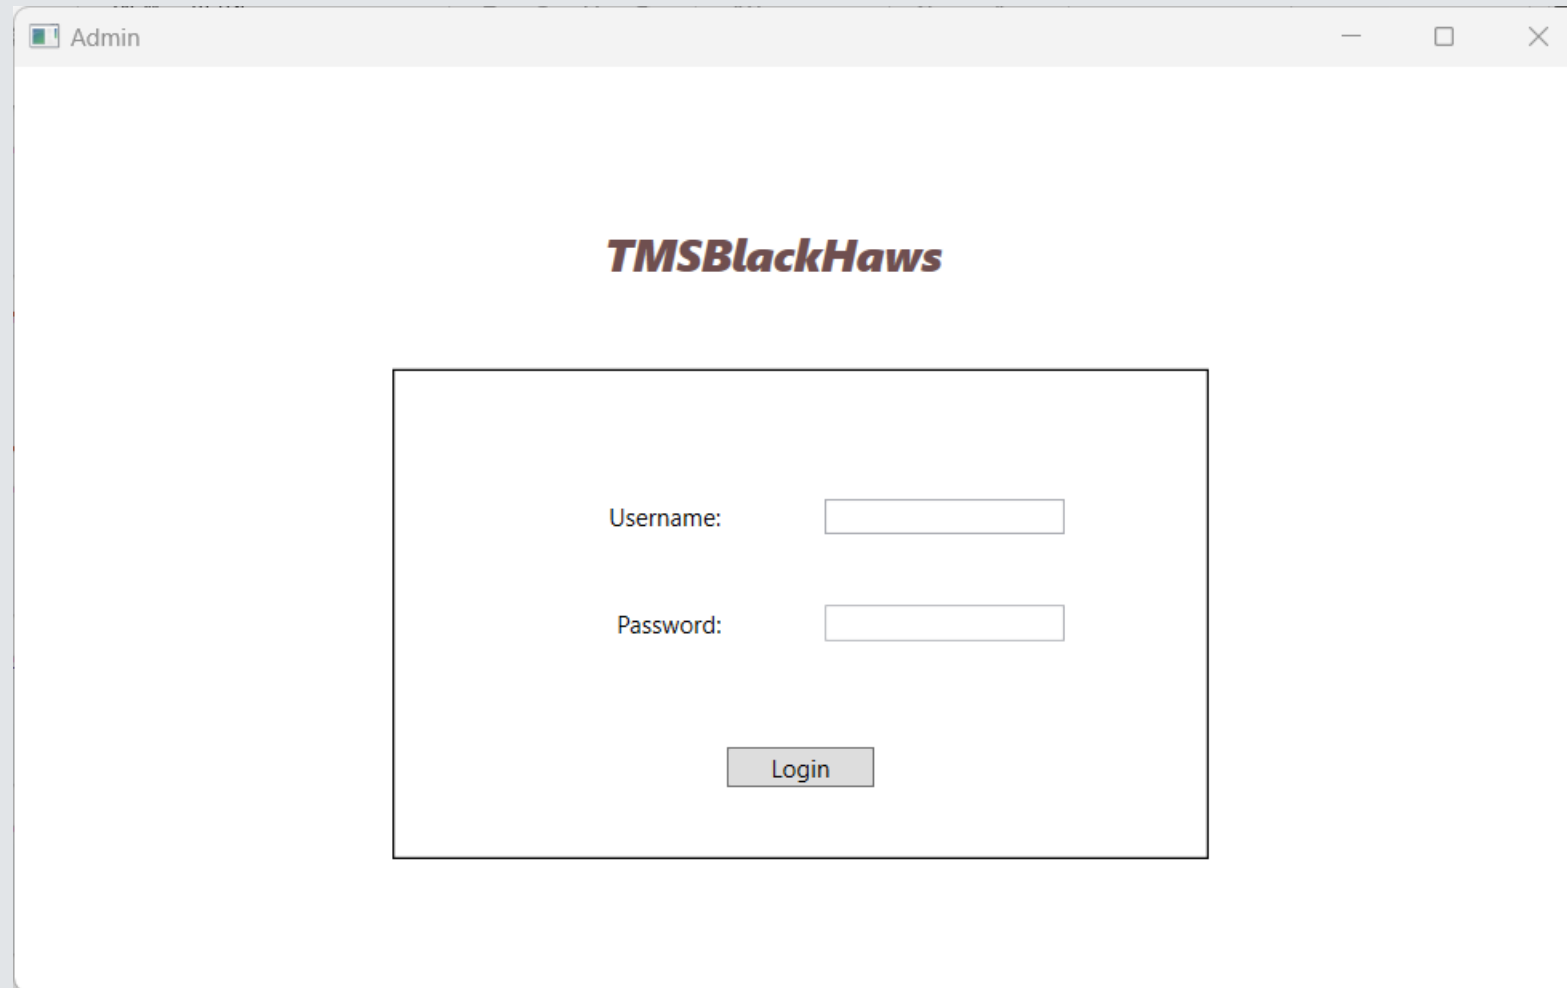

In Admin there are total 5 types of work to do:

1. Selecting directories for log files
2. Targeting IP address and Ports
3. Review Log files
4. Alter Table Data
5. Backup Job - Using MysqlDump Tool

MAIN INTERFACE

ADMIN LOGIN PAGE

A screenshot of a web browser window titled "Admin". The page features the text ***TMSBlackHaws*** in a bold, italicized, dark red font. Below this, there is a login form with two input fields: "Username:" and "Password:". A "Login" button is positioned below the password field. The entire form is enclosed in a black rectangular border.

Submit

The background is a light gray with several decorative elements: a pink circle with a purple flower-like pattern in the top left; a pink circle with a radial line pattern in the top right; a large orange circle with horizontal wavy lines in the bottom left; a large purple circle with a dashed line pattern in the bottom right; and several smaller solid circles in various colors (orange, pink, purple, brown) scattered throughout.

BUYER

BUYER LOGIN PAGE

The image shows a screenshot of a web browser window titled "Planner_login". The browser's address bar contains several icons: a document, a video camera, a magnifying glass, a square, a double square, a circular arrow, and a green checkmark. The page content features the text "TMSBlackHaws" in a bold, dark blue font, followed by "buyer Login" in a bold, dark blue font. Below this text is a rectangular box containing a login form. The form has two input fields: "Username:" and "Password:", each followed by a text input box. Below the input fields is a "Login" button.
